Mr Howard stated that this meeting was a continuation of the March 13, 2018 hearing and that all testimony from the previous month will be incorporated into this evenings continued hearing. All parties and any testimony will still be under the oath taken from the March hearing.

Present were Steve Gergley from Harbor Engineering, representing Daniel Fisher. Mr Gergley stated for the record that the Applicant, Daniel Fisher would be withdrawing his request for a Variance from Section 285-43.D(8)(c).

Mr Gergley on behalf of the applicant submitted a revised plan for the property located at 825 Strasburg Pike. The revised Plan is proposing to demolish an interior portion of the existing building, thereby separating the building in to two buildings, one located within the 100 ft set back and containing 2400sf, and the second building located outside the 100ft set back containing 5440 sf. The two buildings would be separated by 6ft and two new exterior walls with 2- hour fire rating would be constructed. The building containing the 2400 sf would be used for agricultural purposes only. The larger building would be used for the farm related business.

At 7:45pm the members went in to Executive Session to discuss the testimony that was presented. Members returned at 8:00pm. A Motion was made by John Howard and seconded by Morey Young to approve the Special Exemption request from Section 285-43.D(8)(j)[7] for the Sale and Processing of Fertilizers with the following conditions:
