Proper Mobile Cart Placement

Dear Resident,

Please be advised that all mobile carts should be placed BEHIND THE CURB. There should be nothing placed in the roadway that would impede or delay the removal of snow or ice from the road. The garbage truck arm has the capability to reach past the curb in order to pick up your cans.

Here are some tips to ensure a smooth collection process:

- Set mobile cart out by your start time.
- Place mobile cart with the lid opening towards the road.
- Do not place cart in the roadway.
- DO NOT block walkways with carts.
- Place carts at least **THREE FEET APART** from each other and mailboxes, fire hydrants, low hanging trees or shrubs, parked cars, or utility poles - so trucks can easily access the cart.
