PUBLIC INPUT PERIOD- Kevin Gannon attended to present the idea of concerts in the amphitheater. He has experience in the arts and has many connections to musicians that would appreciate a location to perform. There would be no charge to community members. There would be a bucket pass around to allow for donations to support the musicians. The ideal time would be Saturdays 5-8pm. Advertisement may be on Facebook. Expect 30-100 community members to attend these concerts. Volunteers would be needed to help clean up to minimize the impact to the township staff. Projected first concert July 22nd
